

Wrapped Up in You

Garth Brooks

How do I love you, well let me see
I love you like a lyric loves a melody
Baby, completely wrapped up in you
How do I need you, well can't you tell
I need you like a penny needs a wishing well
Baby, completely wrapped up in you Every now and then when the world
That we're living in is crazy
You gladly hold me and carry me through
No one in the world has ever done
What you do for me and I'd be
Sad and lonely if there were no you How do I love you, well count the ways
There ain't a number high enough to end this phrase
Baby, completely wrapped up in you Every now and then when the world
That we're living in is crazy
You gladly hold me and carry me through
No one in the world has ever done
What you do for me and I'd be
Sad and lonely if there were no you
