Tomorrow Doesn't Matter Tonight

Starship

You already made up your mind
Just who you're looking for and what kind of love you'll find
Holding out for a dream
But I can see you're lonely, living isn't only a fantasyI don't fit into your plans, but you can reach for my handsChorus:
Tomorrow doesn't matter tonight, I'm holding you and it feels so right
I know you didn't plan it this way, let yourself go if you want to stay
It's all right, 'cos tomorrow doesn't matter tonightReally hate to see you confused
I want no promises, so what have you got to lose
When you look in my eyes
Don't think about tomorrow, this feeling isn't meant to be analyzedWhy should you be all alone 'til your heart finds a homeTomorrow doesn't matter tonight, I'm holding you and it feels so right
I know you didn't plan it this way, let yourself go if you want to stay
It's all right, 'cos tomorrow doesn't matter tonight(guitar solo)(tomorrow doesn't matter tonight, tomorrow) let yourself go!
(tomorrow doesn't matter tonight, tomorrow)Tomorrow doesn't matter tonight, I'm holding you and it feels so right
I know you didn't plan it this way, let yourself go if you want to stay
It's all rightTomorrow doesn't matter at all, I'm holding you and it feels so right
I know you didn't plan it this way, let yourself go if you want to stay
It's all right, tomorrow doesn't matter tonightTonight!
