Why Does It Always Rain on Me?

Travis

I can't sleep tonight, ever body saying everything's alright
Still I can't close my eyes,
I'm seeing a tunnel at the end of all these lights
Sunny days, where have you gone?
I get the strangest feeling you belongWhy does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining, I can't avoid the lightningI can't stand myself, I'm being held up by invisible men
Still life on a shelf when, I got my mind on something else
Sunny days, where have you gone?
I get the strangest feeling you belongWhy does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining, I can't avoid the lightning
Oh, where did the blue skies go?
And why is it raining so? It's so coldI can't sleep tonight, ever body saying everything's alright
Still I can't close my eyes,
I'm seeing a tunnel at the end of all these lights
Sunny days, where have you gone?
I get the strangest feeling you belongWhy does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining, I can't avoid the lightning
Oh, where did the blue skies go?
And why is it raining so? It's so coldWhy does it always rain on me
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining, I can't avoid the lightning
Why does it always rain on me
Why does it always rain on
