You Nought Me

Flipper

Advisory - the following lyrics contain explicit language:

Sometimes I just don't know what to do
Life's a drag when you're bored all the time
Putzing around trying to find
Waiting for something i can't explainBut they look at me
And they say
You're only bored when you're boring
You're only bored when you're boring
You're only bored when you're boring
But have you rea the news todaySometimes life is such a fun game
Other times timesit's just so plain
Expected to conjure up some new plan
Expected to be more than I am
They wait to see just what I do
But nothing sweet nothing is what I chooseSo I look at them and say
You're only bored when you're boring
You're only bored when you're boring
You're only bored when you're boringThat's what I choose
I'm told it's just a phase I'm going through
I'm told that nothing is not so new
Well I know that I'm not so dumb
So you can go fuck or suck your thumb
Or take more drugs and play "on the run"
But I've got something better to doSo I look at myself and I say
I have nothingonly nothing it's not so true
I have nothing sweet nothing how about you
I have nothing oh nothing nothing to do
Ant that's not so new
