Mind Your Own Business

Charley Pride

If the wife and I are fussin' brother that's our right
Cause me and that sweet woman's got a licence to fight
Why don't you mind your own business mind your own business
Cause if you mind your own business then you won't be mindin' mine
On the woman on our party line's a nosey thing
She picks up her receiver when she knows it's my ring
Why don't you mind your own businesss mind your own business
So if you mind your own business then you won't be mindin' mine
Well I got a little gal that wears her hair up high
The boys all whistle out every time she walks by
Why don't you mind your own businesss mind your own business
For if you mind your own business then you won't be mindin' mine
[guitar]
If I wanna honky tonk around till two or three
Brother that's my headache don't you worry bout me
Why don't you mind your own businesss mind your own business
So if you mind your own business then you won't be mindin' mine
Mindin' other people's business seems to be hightone
But I got all that I can do just midin' my own
Why don't you mind your own businesss mind your own business
For if you mind your own business then you won't be mindin' mine
For if you mind your own business you'll stay busy all the time
