

# Black Balloon

## Goo Goo Dolls

Baby's black balloon makes her fly  
I almost fell into that hole in your life  
And you're not thinking about tomorrow  
'Cause you were the same as me  
But on your knees A thousand other boys could never reach you  
How could I have been the one  
I saw the world spin beneath you  
And scatter like ice from the spoon  
That was your womb Comin' down the world turned over  
And angels fall without you there  
And I go on as you get colder  
Or are you someone's prayer You know the lies that they always told you  
And the love you never knew  
What's the things they never showed you  
That swallowed the light from the sun  
Inside your room Comin' down the world turned over  
And angels fall without you there  
And I go on as you get colder  
Or are you someone's prayer And there's no time left for losin'  
When you stand they fall  
Comin' down the world turned over  
And angels fall without you there  
And I go on as you grow colder  
All because I'm  
Comin' down the years turn over  
And angels fall without you there  
And I'll go on to bring you home  
All because I'm  
All because I'm  
And I'll become  
What you became to me
