When Darkness Falls

Killswitch Engage

As you walk
The path of least resistance
Is it that simple
As you claim it to be?Cut out
Your tongue, your eyes, your lies
They do deceive you
Your tongue, your eyes, your lies
They do deceive youI stand firm in my solidarity
The path I walk
(The path I walk)
I walk in with my own resolveWhen darkness falls
(When darkness falls)
We are reborn
Our dream since the fall of man
We are rebornMy beliefs
Are not antiquated
We are the hope
Silence them all, with not just words
Let resolution be our voiceI stand firm in my solidarity
The path I walk
(The path I walk)
I walk in with my own resolveWhen darkness falls
(When darkness falls)
We are reborn
Our dream since the fall of man
We are rebornWe are the remnant
We the remnant will silence them all
We are the faithful
We the faithful will silence them all
Silence them allWhen darkness falls
We are reborn
Our dream since the fall of man
We are rebornWhen darkness falls
(When darkness falls)
We are reborn
Our dream since the fall of man
We are reborn
