

# Dressed To Kill

## New Found Glory

I know it's hard for you  
To understand what I'm goin' through  
But now I sit here to remind myself  
    You're always dressed to kill  
And you feel like you owe it to the world  
But you owe it to yourselfAnd you're, you're not here  
    And I can't stop pretending  
    That you're forever mine  
And I can't dream anymore since you left  
    I miss you singing me to sleep  
    I can't wake anymore in your arms  
I miss you singing me to sleepCheer up my friends all say  
    You're better alone anyway  
    But you're always on tour  
    And you're never home  
    I'm always dressed to kill  
    And I feel like I owe it to the world  
But I owe it to myselfAnd you're, you're not here  
    And I can't stop pretending  
    That you're forever mine  
And I can't dream anymore since you left  
    I miss you singing me to sleep  
    I can't wake anymore in your arms  
I miss you singing me to sleepCheer up my friends all say  
    And I can't stop pretending  
    That you're forever mine  
    You're better alone anyway  
And you're not here, not hereI can't dream anymore since you left  
    I miss you singing me to sleep  
    I can't wake anymore in your arms  
    I miss you singing me to sleep  
    Cheer up my friends all say
