

# Are You Ready?

## Crispy Ambulance

Are you ready? Oh, oh, are you ready?

(Are you ready?)

Are you ready? Oh, oh, are you ready?

(Are you ready?)

Hey, don't you know?

I think it's time we bring it so

Hey, feel the flow

Gotta keep up as we go

Round and round the globe

Love is international

Oh, I hope you're ready now

(Are you ready?)

We can take it to the street

To everyone we meet

(Are you ready?)

We gotta live it 'cause

We are a family

Everybody, everywhere

Come on, it's time to go

Everyone's invited

To the PureNRG show

Let me see you wave your hands

Just move them side to side

Get up, are you ready now

To step into the light?

Are you ready? Oh, oh, are you ready?

(Are you ready?)

You over there

Hiding in the corner

You don't be scared

All it takes is just one prayer

We're all together

Put your hands up in the air

I hope you're ready now

(Are you ready?)

We can take it to the street and

Make them ask for more

(Are you ready?)

If you wanna live it loud

Let's hear you count to four  
Uno, dos, tes, quatro  
Everybody, everywhere  
Come on, it's time to go  
Everyone's invited  
To the PureNRG show  
Let me see you wave your hands  
Just move them side to side  
Get up, are you ready now  
To step into the light?  
Are you ready? Oh, oh, are you ready?  
(Ready?)  
Are you ready? Oh, oh, are you ready?  
(Are you ready?)  
Stomp your shoes  
It's not hard to understand  
You know what to do  
Come on and clap your hands  
We can take it to the street  
To everyone we meet  
(Are you ready?)  
We gotta live it 'cause  
We are a family  
Everybody, everywhere  
Come on, it's time to go  
Everyone's invited  
To the PureNRG show  
Let me see you wave your hands  
Just move them side to side  
Get up, are you ready now  
To step into the light?  
Everybody, everywhere  
Come on, it's time to go  
Everyone's invited  
To the PureNRG show  
Let me see you wave your hands  
Just move them side to side  
Get up, are you ready now  
To step into the light?  
Are you ready? Oh, oh, are you ready?  
(Are you ready?)  
Are you ready? Oh, oh, are you ready?
