

Ulay, Oh

How I Became the Bomb

There she was like a picture
There she was, she was just the same
There she was, he just had to know that she had forgot his name
Ulay, ulay, ohThinking back to the last time
On the wall as they turned away
Walking back, was it just a dream or did he hear her say?
Ulay, ulay, ohTrying his best to forget her
Trying his best to just keep his stride
Kept his word, but he knows he heard
Ulay, ulay, oh
Ulay, ulay, ohThere she was like a picture
There she was, she was just the same
There she was, he just had to know she had not forgot his name
Ulay, ulay, oh
Ulay, ulay, oh
Ulay, ulay, oh
Ulay, ulay, oh
Ulay, ulay, oh
Ulay, ulay, oh
Ulay, ulay, ohThere he was like his picture
There he was, he was just the same
There he was, he could never know she could never give his name
Ulay, ulay, ohThinking back to the last time
On the wall as he turned away
Turning back, did he even know?
Did he ever hear her say
Ulay, ulay, ohTrying her best to forget him
Trying her best just to keep her stride
Ulay, ulay, oh
Ulay, ulay, ohThere they were like the picture
There they were, they were just the same
There they were, but he walked away and her eyes could only say
Ulay, ulay, oh
