Nobody's Perfect

No Fun At All

Can't believe what I said 'cause I know
That we will last for a long, long time
You heard what I said and maybe now
It's time to slow things downSo please, don't believe what I'm saying
Try to forgive me, I know I have my faults
But nobody is perfect, I've done my somersaults
And it hurts so much to see you cry
Hurts so much just to be aloneCan't believe what I did and I know
This time I must have gone too far
You saw what I did and surely
You will try to kill me nowSo please, don't believe what I'm saying
Try to forgive me, I know I have my faults
But nobody is perfect, I've done my somersaults
And it hurts so much to see you cry
Hurts so much just to be aloneI never really could explain
You must have thought I was insane
I never really could explain
All that you gave me was in vainTry to forgive me, I know I have my faults
But nobody is perfect, I've done my somersaults
And it hurts so much to see you cry
Hurts so much just to be alone
