

Pride

Echo & the Bunnymen

Mother says
Sister says
D'ya mind if I laugh at you?
D'ya mind if I sing with you?
Daddy says
Brother says
Make us proud of you
Do something we can't do
Do it John waits
Barry hates
They think I'm headed for a fall
They hope I'm headed for a fall
Peter says
Julie says
I think it's time you stop stalling
We think it's time you start falling
Fall
