Still Here

The Williams Brothers

Heartaches,I've had my shares of heartaches, but I'm still here
Trouble, I've had my share of troubles, but I'm still here
Bruises, I've taken my lumps and bruises, but I'm still here
Loneliness, I've had my share of loneliness, but I'm still here

[Chorus]
Through it all I've made it through
Another day's journey,
God kept me here
I've made it through
Another day's journey,
God kept me here

Lied on, many times I've been lied on, but I'm still here
Burdens, I had to bare so many burdens, but I'm still here
Dark days, I've had my share of dark days, but I'm still here
Disappointments, I've had so many disappointments, but I'm still here

[Chorus]
Through it all I've made it through
Another day's journey,
God kept me here
I've made it through
Another day's journey,
God kept me here

It's by the grace of God, that I'm still here today
He was always there, no matter what came my way
I felt the presence of him, in my time of need
Standing right there, just to sill my faith

[Chorus]
Through it all I've made it through
Another day's journey,
God kept me here
I've made it through
Another day's journey,
God kept me here

I made it (I made it)

I made it (yes, I made it)
I'm still here(I'm still here)
A lot of folks say that I wouldn't be here tonight, but I made it (I made it)
By the grace of God, y'all (yes,I made it)
I'm still here (I'm still here)

I have to lay awake in the midnight hour, sometimes tossing & turning (I made it)
All night long (yes, I mad it)
Have anyone had to lay awake all night long sometimes (I'm still here)
Tears in your eyes wandering what the next day was gonna bring (I made it)
God has kept arms around you, yes he did (yes, I made it)
You made through the trials (I'm still here)

Come on let me see those hands in the air
I made it, I made it (I made it)
I made it, I made it (yes,I made it)
I made it, I made it(I'm still here)
Through it all (through it all) I'm still here
