Jay-Jay Johanson

Please come on over
I wanna be sincere
Can't keep it to myself anymoreOh please, forgive me
For what you have to hear
I'm gonna tell you something you should knowWhere would you go
If somebody hurts you?
Would you come to me
Even if it was me?I'll leave you
And this time it's forever
I'll leave you
And this time it's foreverPlease could you calm down?
I don't wanna be cruel
How could I have prepared you for the truth?And please remember
It's a shock to you
Let's act as grownups are supposed to doAnd where would you go
If somebody hurts you?
Would you come to me
Even if it was me?I'll leave you
And this time it's forever
I'll leave you
And this time it's foreverI'll leave you
And this time it's forever
I'll leave you
And this time it's forever
