

Shut Me Down

Ne-yo

may not be what you think you want
i don't fit your mode of affection
you see me break so many hearts
which explains your constant rejectionsbut i know
it was real
and i wanna show you girl
but every time that i try
shut me down
shut me downyou shut me down down down
you shut me down down down
you shut me down down down
you shut me down down downfor what it's worth i'm in love with you
said for what it's worth i'm in love with you
for what it's worth i'm in love with you
said for what it's worth i'm in love with youyou believe that i'm messing around
that it can't be real what i'm saying
but i've never felt what i feel right now
so believe me girl i ain't playingcause i know
when it's real
and i wanna show you girl
but every time that i try
shut me down
shut me downyou shut me down down down
you shut me down down down
you shut me down down down
you shut me down down downfor what it's worth i'm in love with you
said for what it's worth i'm in love with you
for what it's worth i'm in love with you
said for what it's worth i'm in love with youcause i know
when it's real
and i wanna show you girl
but everytime that i try
shut me down
shut me downyou shut me down down down
you shut me down down down
you shut me down down down
you shut me down down downfor what it's worth i'm in love with you
said for what it's worth i'm in love with you
for what it's worth i'm in love with you

said for what it's worth i'm in love with you
for what it's worth i'm in love with you
said for what it's worth i'm in love with you
