

# Lock, Stock and Teardrops

**Roger Miller**

Someday, I won't come runnin'  
When you call  
The way you hurt me  
It's a wonder, I'm still here at allSomeday, you'll wake up  
And you'll find yourself aloneLock, stock and teardrops  
I'll be gone, I can't go onThe way you make me feel  
You make me cry  
And every time  
Expect me to forgiveSomeday, you'll wake up  
To a cold and lonely dawnLock, stock and teardrops  
I'll be goneOh someday, I'll wake up  
Find my strength to carry onAnd lock, stock and teardrops  
I'll be goneLock, stock and teardrops  
Lock, stock and teardrops  
Lock, stock and teardrops  
I'll be gone
