Musta Heard

Charlie Wilson

It's so many fly younger than in here
That it ought to be a misdemeanor
And if you're standing outside of the club
Homie I would really wouldn't wanna be ya
And girl I like your self-esteem
Ain't gotta go check out demeanor
I need a bad girl, one them bad girls
One of them lurking in the back of the Beamer
We can freak it all night, oh baby, baby
We can do this all night, oh baby
And I know you're gon' hear me
Hey, hey, when you're out on the floor
Girl you must have heard about me
Hey, hey, when you're dropping, dropping
You must have about me
Must have heard about me buying them drinks
And you see them rolling doing their thang
Hey, hey, if it sounds like a party
Then you heard of Uncle Charlie
I done played the game, I got a champion ring
It ain't nothing to me
London, Japan, Finland, South of France
Say, it's nice to meet ya
Less expensive to me
But all that don't come for free
I need a bad girl one of them bad girls

[Incomprehensible]We can freak it all night, oh baby, baby
We can do this all night, oh baby
And I know you're gonna hear me
Hey, hey, when you're out on the floor
Girl you must have heard about me
Hey, hey, when you're dropping, dropping
You must have about me
You must have heard about me buying them drinks
And you see them rolling doing their thang
Hey, hey, if it sounds like a party
Then you heard of Uncle Charlie
Hey, hey, when you're out on the floor

Girl you must have heard about me
Hey, hey, when you're dropping, dropping
You must have about me
You must have heard about me buying them drinks
And you see them rolling doing their thang
Hey, hey, if it sounds like a party
Then you heard of Uncle Charlie
Hey, hey, when you're out on the floor
Girl you must have heard about me
Hey, hey, when you're dropping, dropping
You must have about me
