

# Baby Genius

## Eels

{ We having an earthquake?  
That was enjoyable!  
God bless you  
Come on } Baby genius  
Look how you've grown  
Where do you go from here?  
Didn't we have some good times  
After all is said and done ? Small body and small mind  
Big head and big headaches My back is broken  
Baby genius  
Find a new ride { [Incomprehensible] }
