

# Object of Obsession

Ana Popovic

There's not a day that goes pass by  
that I don't think about you  
About what you do to me baby  
what you make me wanna doWant it or not  
I'm in your possession  
I'll try any way I can  
to get your attentionYou're my one and only taboo  
baby you're my latest fashoin  
you're an institution of cool  
no doubt about it  
Object of ObsessionYou make me wanna want you  
make me wanna care  
Make me wanna need you  
almost night and day  
I've got a confession to make  
and I'm letting you know  
If i ever get my hands on you babe  
I'll never let you goYou're my satin nights flavor  
you're my latest fashion  
you're an institution of cool  
no doubt about it  
Object of ObsessionNow I know what's longing  
and that it's never gonna end  
You and all your preaching  
yeah that's what I believeYou're my satin nights flavor  
you're my latest fashion  
you're an institution of cool  
no doubt about itObject of ObsessionThere's a part of me that's longing  
you to be here with me  
I don't know what is really  
happening to meI really want you to be mine  
well, baby when the time comes  
ooh, baby, when the time is right
