

Iâ€™m Yours

Angus & Julia Stone

Wait, wait on the corner I'm coming for ya
You know things will change
Love is a mistake we made
Wasn't a price I wanted to pay I'm yours, I'm yours
I'm yours, I'm yours Hope, oh what a funny word
Wasn't like I was expecting all this falling down
I sit by the window watching the air that you breathe
So far away I'm yours, I'm yours
I'm yours, I'm yours
I'm yours, I'm yours
I'm yours, I'm yours
