

Someone Loves You Honey (Re-Recorded)

Charley Pride

I want to share your life
Every minute, every day and night
I just want you to know
That whatever you do
And wherever you go Remember
Someone loves you honey
No matter what, just be my girl
Someone loves you honey
More than anything in the world I'm so glad that I'm the one
That you come to
When you need someone
That's what my love is for
It's a shoulder to lean on
A in the storm Remember
Someone loves you honey
No matter what, just be my girl
Someone loves you honey
More than anything in the world
