Do My Thing

Estelle

hey,
hey hey hey hey
(Good God)
hey
hey hey hey hey
Well, I wear my clothes like this because I can
And I wear my hair like this because I can
And I walk around like this because I can
and I do my thing like this cuz its who I am.
And if you're expecting me, to give you an apology for being nothing that you're used to
Well go right on ahead and wait, hold your breath and concentrate. Keep holding 'til your face turns blue.
My road, it ain't your road but trust I know (I know just where I'm going)
My flow, it ain't your flow but trust I know (I know just how I'm flowing)
I'ma do my thing (I'ma do my thing)
Please feel free to hate and complain
I'ma do my thing
Say what you like because this one ain't gonna change
I'ma do my thing
{janelle}
I can't wear my clothes like you, because I'm not
I can't do my hair like you, because I'm not
I can't walk around like you, because I'm not
I can't do my thing like you, cuz it just ain't hot

And if you're expecting me, to give you an apology for being nothing like you're used to
Well go right on ahead and wait, hold your breath and concentrate. Keep holding 'til your face turns blue.
My road, it ain't your road but trust I know (I know just where I'm going)
My flow, it aint your flow but trust I know (I know just how I'm flowing)
I'ma do my thing (I'ma do my thing)
So please feel free to hate and complain
I'ma do my thing
And say what you like because this one ain't gonna change
I'ma do my thing
You don't know where I'm going, and so you think I'm lost
I ain't on your page ok, so to you that means I'm off.
When I dance, I dance to the beat of a drummer that you can't hear and can't see
So if I look offbeat to you, the problem must be you, not me
Irregular but never irrellevant, unusual but never uncool.
You're not cut from my cloth so you don't get me. Well, I don't get you.

Either a believer of the fact that you need people's looks
Am I going to fast for you? Open your mind and speed up.
My road, it ain't your road but trust I know (I know just where I'm going)
My flow, it ain't your flow but trust I know (I know just how I'm flowing)
I'ma do my thing (I'ma do my thing)
So please feel free to hate and complain
I'ma do my thing
And say what you like because this one ain't gonna change
I'ma do my thing
