

# Anorak Christmas (Woodhands Remix)

[Sally Shapiro](#)

The first time that I saw your face on a cold December night  
It was a Tuesday on a gig with a band that we both liked  
The first time that I heard you say your name and I said mine  
I fell in love, and ever since you've been here on my mind

Please don't go  
I love you so  
I want to kiss you  
I need to kiss you

The weekend's over and I feel the strangest way because  
I can't remember my own name but I do remember yours  
There are no words in any language for feelings just like this  
Will I end up by myself or in the perfect kiss

Please don't go  
I love you so  
I want to kiss you  
I need to kiss you

Don't go, don't go  
Don't go, don't go
