Staind

I have seen

Too many sad eyes look at me

The eyes that set me free

All the places that I've beenThank you for the letters

That you thought you wrote in vain

And for the times

You chose to stand out in the rain and wait for me, for meYour words

Your words help me to see

A little honesty

In a world that doesn't shareAnd your eyes

Tell the story of your pain

Severity of your disdain

In a world that doesn't careSo thank you for the letters

That you thought you wrote in vain

And for the times

You chose to stand out in the rain and waitYou

You understand my pain

From this I gather strength

In that we are the sameSo thank you for the letters

That you thought you wrote in vain

And for the times

You chose to stand out in the rain and waitThe life I live would never be the same

Without you here

You here, you here

Without you here
