

# Kitty Doggy

## Five Iron Frenzy

Hi, and welcome to our practice, kids.  
Five Iron Frenzy, thanks a lot.  
Kitty Doggy, you're the one,  
You're the one I want for today.  
Yeah, I need you Kitty Doggy.  
Yeah, I love you.  
You're my Kitty, you're my Doggy,  
You're my Kitty and my Doggy.  
Kitty Doggy I love you.  
Kitty Doggy Kitty Doggy I love you.  
You make me feel like school.  
Something brand new,  
Some hair that's in my shoe.  
I have a hot Kitty.
