

You Deserve It

Janine and the Mixtape

I'm glad you found your angel
I'm sorry it couldn't be me
But I never meant to hurt you
I hope one day you will see
That I had to find myself before anyone else
But I'm glad you found your angel
Glad you found your angel
Saw a picture of you and her and you were smilin'
And it made me smile, though inside I was not
But I'm glad you found your angel

Got love for her for lovin' you cause you deserve it
You deserve it, you deserve it
And it's weird to say, but I know it's true, cause you deserve it
You deserve it, you deserve it

She seems like an angel, and you deserve an angel
You deserve an angel, and she seems like that angel
I'm glad you found your angel, I'm glad you found your angel
Your angel, I'm glad you found your angel

Got love for her for lovin' you cause you deserve it
You deserve it, you deserve it
And it's weird to say, but I know it's true, cause you deserve it
You deserve it, you deserve it
