

# Twist in My Sobriety (Acoustic)

[Tanita Tikaram](#)

All God's children need travelling shoes  
Drive your problems from here  
All good people read good books  
Now your conscience is clear  
I hear you talk girl  
Now your conscience is clear In the morning when I wipe my brow  
Wipe the miles away  
I like to think I can be so willed  
And never do what you say  
I'll never hear you  
And never do what you say  
Look my eyes are just holograms  
Look your love has drawn red from my hands  
From my hands you know you'll never be  
More than twist in my sobriety  
More than twist in my sobriety  
More than twist in my sobriety We've just poked a little empty pie  
For the fun that people had at night  
Late at night don't need hostility  
The timid smile and pause to free I don't care about their different thoughts  
Different thoughts are good for me  
Up in arms and chaste and whole  
All God's children took their toll  
Look my eyes are just holograms  
Look your love has drawn red from my hands  
From my hands you know you'll never be  
More than twist in my sobriety  
More than twist in my sobriety  
More than twist in my sobriety Cup of tea, takes time to think, yeah  
Time to risk a life, a life, a life  
Sweet and handsome  
Soft and porky  
You pig out 'til you've seen the light  
Pig out 'til you've seen the light Half the people read the papers  
Read them good and well  
Pretty people, nervous people  
People have got to sell  
News you have to sell Look my eyes are just holograms  
Look your love has drawn red from my hands

From my hands you know you'll never be  
More than twist in my sobriety  
More than twist in my sobriety  
Look my eyes are just holograms  
Look your love has drawn red from my hands  
From my hands you know you'll never be  
More than twist in my sobriety  
More than twist in my sobriety  
More than twist in my sobriety
