Wheat

and sometimes it's nice
when we don't talk
when you don't show
and sometimes I spend
way too much time
off my two feet and it's hard
whispering out your name
and it's good
but I think

I kinda miss you just the same and then I fall down

I can fall down
when I fall down
and once in a while
I try to try
I try to stand
and it's hard
whispering out your name
and it's good
and I think
and I think

I kinda miss you just the same
