## The Dimes

the liberator say what thomas wouldn't say, he say no  
the liberator do what johnny wouldn't do,  
he say no, no, nothe liberator do what john brown was tryin to do,  
the liberator stand where his father shoul da stand  
he say no, no, nothe liberator's makin his peace with the god in his head,  
before he's dead  
the liberator drawin a line in the sand,  
with his hand holdin a pen,
