Drawn From Memory

Embrace

I can see a time when I
Won't be able to
Feel the pain no more
And I can leave this town for other shores'Cause I could never make it last
Or ever understand
What you'd keep me for when I'd
Turn evil in your handsSinging all they have is drawn from memory
I've got you and tomorrow
You can steal the scene but you're blind
And the magic will leave you feeling hollowThe girl that I could never hurt
Had to go and lose
All that power over me
And I claimed victorySinging all they have is drawn from memory
I've got you and tomorrow
You can steal the scene but you're blind
And the magic will leave you feeling hollowSinging all they have is drawn from memory
I've got you and tomorrow
You can steal the scene but you're blind
And the magic will leave you feeling hollowSo innocent that sweet look in your eyes
No hate nor fear could open
You blessed a part of me
Without knowingAnd it strikes me that I could cry and the thought
Of me crying will start me laughing
You blessed a part of me
Without lying
