

Stand

Smash (Cast)

(Leslie)

What do you do

When you've done all you can

And it seems like you can't make it through

And what do you say when your friends turn away

You're alone

Tell me what do you give

When you've given your all

And it seem like you can't make it through

Well you just stand when there's nothing left to do

You just stand (stand)

Watch the Lord see you through

Yes after you've done all you can

You just stand

(Chorus)

Tell me what do you do

(Kathrine)

When you given your all and it seems

It seems like you can't make it through

Well you just stand (you just stand)

When there's nothing left to do you just stand (you just stand)

Watch the Lord see you through

Yes after you've done all you can

(Chorus)

You just stand

(Katherine)

Stand and be sure (and be sure)

And be not entangled

In bondage again

(Chorus)

You just stand

(Katherine)

Stand and endure (and endure)

(Chorus)

God has a plan

(Katherine)

God has a plan tell me what do you do

When you've done all you can

And it seems like you can't make it through

Through the storm
Through the rain
Through the hurt
Through the pain
I'll hold on
I'll be strong
God will stand in
It won't be long
After you've done all you can
You just stand
