

Love of My Life

Fiji

Verse:

Love of my life
I just want to take this moment to say
Things ain't been right
Since you got my faults and failures on display

B-sec:

And I know we can't take back
All the words that we said
And I know we hurt each other sometimes
Still I know our love is stronger
Than all the negativity
Baby just look in my eyes..You know

Chorus:

As long as the sun will shine honey I know
That you're all that I want on my side
And I promised to give everything from my heart
And for you honey i'll never lie
I'll never lie

Verse:

No one knows me like
You my one and only sweet heart
Everyday I try
To confirm every reason that
You loved me from the start

B sec:

Our sweet moments of laughter
Makes my heart grow fonder
Of you everyday of my life
As I told you before
If your ever in doubt
Baby take a look in my eyes

Chorus:

As long as the sun will shine honey I know
That you're all that I want on my side
And I promised to give everything from my heart

And for you honey I'll never lie
I'll never lie

I'll never lie
Not to the love of my life

Rap:

Reminiscing of the day
When i didn't know what to say
And i promised come what may
Told you fi be mi wife fi life
Throughout the struggle and the strife
Without you baby i would rather die
I'd rather be another piece of real estate
In a desolate place
Far far away
And the only sun that shines on me
Is your face
Just to prove my love to you baby oh

Chorus

As long as the sun will shine honey i know
That you're all that i want on my side
And i promised to give everything from my heart
And for you honey i'll never lie
I'll never lie
