

Ready to Lose

The Knife

Thinking about a mouth that waters
Thinking about losingSucking the marrow feeding a pain
Facing a consequenceThe blood
The mine
The yours
Combined
Blood control
A hazy line
Rearranging
Of desiresReady, ready to lose a privilege
Ready, ready to lose a privilegeDysfunctional culture
Spin me away
Preserving a blood lineFear of suffering fear of loss
Sucked in your birthrightsThe blood
The mine
The yours
Combined
Blood control
A hazy line
Rearranging
Of desiresReady, ready to lose a privilege
An ongoing habit
A transfer of possessions
Ready, ready to lose a privilege
A final sequence
An end to succession
