Same Old Thing

Eric Hutchinson

I did my homework I made my bed
I bought the fairy tales did just what they said
Coming up green staying on track
Turns out nobody's got a clue and that's a fact soI'm getting tired of the same old thing
I'm getting tired of the same old thing
I'm getting tired of the same old thing
Because the same old thing is just oldI've met my heroes was made a fool
Standing on the corner trying not to break the rules
Where do you get off acting so cold
Old school's just a nicer way of saying you got oldI'm getting tired of the same old thing
I'm getting tired of the same old thing
I'm getting tired of the same old thing
Because the same old thing is just oldI'm a stranger I'm a stranger, that nobody sees
I'm a stranger in disguise I'm an angel in disguise
I'm a stranger in disguise, only when I wanna beI'm getting tired of the same old thing
I'm getting tired of the same old thing
I'm getting tired of the same old thing
Because the same old thing is just oldI'm getting tired of the same old thing
I'm getting tired of the same old thing
I'm getting tired of the same old thing
Because the same old thing is just old
