

O Holy Night

Katharine Mcphee

O holy night, the stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world, in sin and error, pining
'Til He appeared and the Soul felt its worth
A thrill of hope, our weary world rejoices
For yonder breaks a new and glorious morn'

Fall on your knees

Oh, hear the angels' voices

O night divine

O night when Christ was born

O night divine

O night, o night divine

Truly, He taught us to love one another

His law is love and His gospel is peace

Chains shall He break, for the slave is our brother

And in His name all oppression shall cease

Sweet hymns of joy in grateful chorus raise we

Let all within us praise His holy name

Christ is the Lord

O praise His name forever

O night divine

O night when Christ was born

O night divine

O night, o night divine
