

Refuse to Be Denied (feat. Anthony Martini)

Anthrax

Proud and free, that's American to me
Symptomatically and so basically
It's so definite, freedom is all of it
No humanity without restraint Refuse to be denied, refuse to compromise
Your ideology always a lie
It's jingoistic or nationalistic
Or whatever the hell you want to call it With my raised fist, yeah
Never be denied
I stand and resist again Proud and free, that's a human thing to me
Burning at the core and I go to war
Ain't gonna change my way of life
Twisted rhetoric, I won't subscribe Refuse to be denied
Refuse to compromise
Your ideology always a lie
Imperialistic, colonialists
Bandwagon patriot, wake up to this With my raised fist, yeah
Never be denied
I stand and resist again
Yeah With my raised fist, yeah
Never be denied
I stand and resist again With my raised fist, yeah
With my raised fist, yeah
I stand and resist again
Denied, denied
