

Obsessed

Emblem3

Yeah yeah yeah yeah yeah Tonight, I can see it in your eyes
I'm gonna give it to you right
I'm gonna give it to you right
I'm obsessed, that's fine
You could even say I'm out of line
But it's heaven when I am inside
It's heaven when I am inside Forever is too much
But baby when we touch our sensations go overload, oh oh
Can't shake the thought of your body ridin' on top of me
Like a bomb we're 'bout to explode Give you all that I have tonight
I insist, you're in for a ride
Your love's like a bird so high
Baby you're the best
Got me so obsessed, yeah Dim the lights, turnin' off your phone
Knock me down like a domino
And turn me on like the radio Baby you're the best
Got me so obsessed, yeah
Yeah yeah eh x3
Baby you're the best
Got me so obsessed, yeah She said she gonna spend the night
Got me feelin' like a Red Bull, takin' flight
And we gon' soar to new heights
What we're doin's so wrong but it feels so right And that body's so delicious
The way she knock on that wood, superstitious
She the type of she don't make me wanna miss this
The way she put it down on me like a mistress
Can't stop, so loud, never quit this
Work it out like we're workin' on our fitness
Yeah, best sex you'll have baby
Now bang it up like Miley, crazy Forever is too much
But baby when we touch our sensations go overload, oh oh
Can't shake the thought of your body ridin' on top of me
Like a bomb we're 'bout to explode Give you all that I have tonight
I insist, you're in for a ride
Your love's like a bird so high
Baby you're the best
Got me so obsessed, yeah Dim the lights, turnin' off your phone
Knock me down like a domino
And turn me on like the radio Baby you're the best

Got me so obsessed, yeahYeah
Baby rollin' with me
Yeah
Baby come here with me
YeahBaby you're the best
Got me so obsessed, yeah
