

# Alive (Pop Edit)

## Da Buzz

This is the feeling of my life I wanna be with you now  
I wanna have you with me always forever and you  
You will be one for me now and I can see that You came through the door, you came through it all  
One step further and I will lose it all  
Everything you said, everything was so right I was in your eyes you were in my mind  
When you took my hand and we start to dance  
I just can't believe that it's you and me now I'm alive  
For the first time in my life  
I just know that I'm alive  
I wanna dance the night away I'm alive  
I'll always be there by your side  
I just know that I'm alive  
This is the feeling of my life  
I'm alive You're reality, you're my fantasy  
I just can't believe this is happening  
Crossed my fingers and I can see that is true I was in your eyes you were in my mind  
When you took my hand and we start to dance  
I just can't believe that it's you and me now I'm alive  
For the first time in my life  
I just know that I'm alive  
I wanna dance the night away I'm alive  
I'll always be there by your side  
I just know that I'm alive  
This is the feeling of my life  
I'm alive I wanna be with you now  
I wanna have you with me  
I'm alive  
You will be one for me now  
And I can see that For the first time in my life  
I know that I'm in love  
I wanna dance the night away  
I'm alive And I want to  
'Cause I need you  
I just got to be beside you  
For you really make my dreams come true I'm alive  
For the first time in my life  
I just know that I'm alive  
I wanna dance the night away I'm alive  
I'll always be there by your side

I just know that I'm alive  
This is the feeling of my life  
I'm alive
