Salt Skin (Azedia remix)

Ellie Goulding

You're sharp as a knife and you fit like a glove
That is no way to live that is no way to love
Full of fear in your skin and the weakness in giving in
Your stabbed in the back but you feel no pain
Push the heaviest doors that you can't open
Yeah they tied me up and my body lies still, againYou're as bright as the sun and as calm as the wind
I don't know when you'll break but it's gonna be soon
If my will caves in, I'll be in the same boat as youI've got the salt skin
Running to where he is
Never going to give in
Even with the strength
He's stealing salt skin
Telling me I'm winning
Wars they created
Just to understand
The meaning (of)Hands on strings and my mouth open
Find the perfect words that I've not spoken
And I won't tell the truth unless you want me toFor all of the times that I lost my head
When it rolled to the floor and I found it again
But when it came back,
I didn't know my own nameI've got the salt skin
Running to where he is
Never going to give in
Even with the strength
He's stealing salt skin
Telling me I'm winning
Wars they created
Just to understand
The meaning (of)
Of, ofI've got the salt skin
Running to where he is
Never going to give in
Even with the strength
He's stealing salt skin
Telling me I'm winning
Wars they created
Just to understandI've got the salt skin
Running to where he is
Never going to give in

Even with the strength
He's stealing salt skin
Telling me I'm winning
Wars they created
Just to understand
The meaning (of)
