Dance With Me

Mandi Mapes

Walk with me, by the ocean side
Together we'll, take on this life
As the sun, melts to pink and blue
So my heart melts for youDance with me under the stars
Oh, dance with me wrapped in your arms
You'll be the bend and I'll be the song
Oh, could it be that we belong?
Oh, something tells me we, belong
You and I are meant to be
As the shore is to the sea
Oh let me be, your hand to hold
Your darling to kiss you when we're oldDance with me under the stars
Oh, dance with me wrapped in your arms
You'll be the bend and I'll be the song
Oh, could it be that we belong?
Oh, something tells me we, belong
Dance with me under the stars
Oh, dance with me wrapped in your arms
You'll be the bend and I'll be the song
Oh, could it be that we belong?
Oh, something tells me we, belong
