Simulated

Marco V

We're alive and we're among you, we breed and we conceive you, you live because we allow you to live and you breathe because we allow you to breatheYou're incapable to think of breathe for yourself.
We pull the strings, cut out the wings
We're in charge of all the peace and of all the noise.
You think there is a God, you are only toys
You're toysYou walk, you talk, you breathe, 'cause we need you to
Work, produce, be used, when we want you to.You're incapable to think of breathe for yourself.
We pull the strings, cut out the wings
We're in charge of all the peace and of all the noise.
You think there is a God, you are only toys
You're toysYou eat, you taste, enjoy when we allow you to
Relax, you sleep, you feel, when we force you to
