## Fenix TX

It won't be long  
Until you learn about this one  
Is there any reason you can't say?  
I must be wrong  
Thought I was the perfect son  
And all I want it room to breathe  
Say what you want, But I'm running again  
Do what you want, But I'm running again  
Say what you want, But I'm running again You can do what you want, But you'll never breathe like me,  
Bleed like me, Walk the talk or think like me  
Breathe like me, Bleed like me,  
You'll never be like me  
Can't hold me down  
Scream and I won't hear a sound  
There's a lot about me you don't know  
Throw in the towel  
Give it up, you've lost this round  
I think it's time for me to go
