Perfect Timing

Jim Cramer

Is this just a passing fancy, or another passing game?
Is this just a little something, that fallen angels play?
I've had a million fantasies, but that was make believe
Baby, open up this door before I freezeGirl stop complaining
You're afraid of the dark
We'll go the distance
I don't think it's so farI think it's perfect, perfect, perfect timing
I think it's perfect, perfect timingWell I tried to send a message
Yes I tried the telephone
But I guess that I ain't lucky
And my card say no one's homeIf the cards are on the table
That's a calculated risk
That's if accidental angels
Do existJust for a moment, if you think the moment's right
Let's not lose that moment tonightPerfect, perfect, perfect timing
Perfect, perfect timing
Perfect, perfect, perfect timing
Perfect, perfect timingI'm thinkin' this is the right time
I'm hoping you feel the same
'Cause that light at the end of the tunnel
Is the front of an oncoming trainGo out fight
FightingPerfect, perfect, perfect timing
Perfect, perfect timing
Perfect, perfect, perfect timing
Perfect, perfect timingPerfect, perfect, perfect timing
Perfect, perfect, perfect timing
Perfect, perfect timing
Perfect, perfect timing
