

# Once Upon a Summertime

[Ellis Paul](#)

Once upon a summertime, if you recall  
We stopped beside a little flower stall  
A bunch of bright forget-me-nots  
Was all I'd ever let you buy me  
Once upon a summertime just like today  
We laughed the happy afternoon away  
And stole a kiss at every street cafe  
You were sweeter than the blossoms on the tree  
I was as proud as any girl could be  
As if the mayor had offered me the key  
To Paris  
Now another winter time has come and gone  
The pigeons feeding in the square have flown  
But I remember when the vespers chimed  
You loved me once upon a summertime  
Now another winter time has come and gone  
The pigeons feeding in the square have flown  
But I remember when the vespers chimed  
You loved me once upon a summertime
