Almost Like This

Andrew Applepie

I never, I never, I never, I never,

I-I know the glory

I-I know the glory

Almost like this

Almost like this

From the pain

I just wanna

I just wanna

I-I know the glory

I-I know the glory

Almost like this

Almost like this

From the pain

I just wanna

wanna

I-I know the glory

I-I know the glory

Almost like this

Almost like this

From the pain

I just wanna

wanna

I-I know the glory

I-I know the glory

Almost like this

Almost like this

From the pain

I just wanna

wanna

I-I-I-I-I know the glory

I-I know the glory

Almost like this

Almost like this

From the pain

I just wanna

wanna

I-I know the glory

I-I know the glory

Almost like this

Almost like this

From the pain

I just wanna

wanna

I-I-I-I-I know the glory

I-I know the glory

Almost like this

Almost like this

From the pain

I just wanna

wanna

I never, I never, I never,

I-I-I know the glory

I-I know the glory

Almost like this

Almost like this

From the pain

From the pain

I just wanna

I just wanna
