Bring My Family Back (paul Van Dyk Remix)

Faithless

I'm on lonely street
I'm on the wrong track
Only one thing I left
Somebody bring my family back
I'm on lonely street
I'm on the wrong track
Only one thing I left
Somebody bring my family back
Somebody bring my family back
Somebody bring my family back
Somebody bring my family back
I'm on lonely street
I'm on the wrong track
Only one thing I left
Somebody bring my family back
I'm on lonely street
I'm on the wrong track
Only one thing I left
Somebody bring my family back
Back
Back
Back
I'm on lonely street
I'm on the wrong track
Only one thing I left
Somebody bring my family back
Back
Back
