

Leaving 99 (Worldwide Version)

Audio Adrenaline

I'm lost and broken
All alone on this road
The wheels keep turning
But the feeling is gone When I fear
I'm on my own
You remind me
I am not alone You say, I'd leave 99
Leave them all behind
To find you, for you alone I'd leave 99
Leave them all behind
To find you It's dark and lonely
And the path is unclear
Can't move my feet
Because I'm frozen with fear And you say
My child, my child
I am always here
I'm at your side I'd leave 99
Leave them all behind
To find you, for you alone I'd leave 99
Leave them all behind
To find you You're never too far down
I promise you'll be found
I'll reach into the mud, miry clay Pursue you to the end
Like a faithful friend
Nothing in this world will keep me away I'd leave 99
Leave them all behind
To find you, for you alone I'd leave 99
Leave them all behind
To find you, to find you
