

# Au Cin  ma

## Lianne La Havas

Sometimes when your zork, hm  
And I'm your betty boop  
And we're singing it close  
Like, the girls in Melville rendezvous

I wish  
That we  
Could somehow freeze the frame  
But this isn't the silver screen, no

There's no pause  
No rewind

Time to find out how the story goes  
Sat hip to hip with the curtains close  
Watching ourselves au cinema

Take our positions as the cameras roll  
You'll be the guy I'll be the girl  
Watching ourselves au cinema  
Au cinema

Now we'll cut to the girl, alone  
She's found on the Brooklyn  
And she's truly at home, home  
Her step has only sprang  
The big bright lights of the city are shining for her  
There's a thirst in her eyes in her eyes and her heart  
Oh she thinks to look back  
Back, she won't

There's no pause  
No rewind  
No pause  
No rewind

Time to find out how the story goes  
Sat hip to hip with the curtains close  
Watching ourselves au cinema

Take our positions as the cameras roll  
You'll be the guy I'll be the girl  
Watching ourselves au cinema  
Au cinema

Time to find out how the story goes  
Sat hip to hip with the curtains close  
Watching ourselves au cinema

Take our positions as the cameras roll  
You'll be the guy I'll be the girl  
Watching ourselves au cinema  
Au cinema

Where the story goes,  
As the curtains close
