

We Rock

DIO

You watch their faces
You'll see the traces
Of the things they want to be
But only we can see They come for killing
They leave and still it seems
The cloud that's left behind
Oh, can penetrate your mind But sail on, sing a song, carry on
Cause We Rock, We Rock, We Rock, We Rock We pray to someone
But when it's said and done
It's really all the same
With just a different name So many voices
All giving choices
If we listen they will say
Oh, we can find the way But we'll sail on, sing a song, carry on
Cause We Rock, We Rock, We Rock, We Rock
We Rock, We Rock, We Rock, We Rock
We Rock! We Rock
You watch their faces
You'll see the traces
Of the things they want to be
But only we can see They come for killing
They leave and still it seems
The cloud that's left behind
Can penetrate your mind Sail on, sing a song, carry on
Cause We Rock, We Rock, We Rock, We Rock
We Rock, We Rock, We Rock, We Rock Ride out - stand and shout - carry on
Sail on - Sing your song - carry on Cause We Rock, We Rock, see how We Rock
We Rock
That's rock
We Rock
We Rock
