Cowgirl In The Sand

City And Colour

Hello cowgirl in the sand
Is this place at your command
Can I stay here for a while?
Can I see your sweet, sweet smile?
Old enough now to change your name
When so many love you, is it the same?
It's the woman in you
That makes you wanna play this game
Hello ruby in the dust
Has your band begun to rust
After all the sin we've had
I was hopin' that we turn back
Old enough now to change your name
When so many love you, is it the same?
It's the woman in you
That makes you wanna play this game
Hello woman of my dreams
This is not the way it seems
Purple words on a gray background
To be a woman and to be turned down
Old enough now to change your name
When so many love you, is it the same?
It's the woman in you
That makes you wanna play this game
